Dear Michael Morisy:

On July 9, 2012, you submitted a Public Information request for all records (including, but not limited to, electronic records) maintained by this department and its officers, employees and agents discussing, concerning or reflecting: any requests for proposals, proposals submitted by vendors, contracts, budgets or cost allocations for the purchase and/or use of aerial drones, UA's, UAV's, and UAS's, etc. Unfortunately, based upon the information you provided, we found no responsive documents.

The FAA proposed a test project which would include gathering data; however, we did not participate due to a lack of funding.

If you have any questions or need additional assistance, please contact Public Affairs, Open Records Unit, at (713) 308-3200.

Sincerely,

Jeffrey C. Monk, Administration Manager
